下鴨は鴨川と高野川の合流点の北側に位置し，有名な**下鴨神社**がある．**下鴨神社**は京阪出町柳駅から徒歩で約 15 分のところにあり，正式には「賀茂御祖神社（かもみおやじんじゃ）」と呼ばれる．奈良時代以前から神社の祭りである葵祭が行われていた記録があり，かなり古い時代に創建されたと思われる．境内は糺の森と呼ばれ、南北約600 m東西約200 mの常緑広葉樹の森である．

下鴨神社境内や神社近くの鴨川公園の樹木には痂状地衣類や葉状地衣類，石垣や露岩には痂状地衣類が多数観察された．

Shimogamo is in north area of the junction of Kamo River and Takano River. A famous shrine, **Shimogamo Jinja** located in this area is officially called "Kamo Mioya Jinja", that is at 15 min.-walk from Demachiyanagi Station of Keihan Railway. This shrine was thought to be built in ancient times, because Aoi Festival held in this shirine has continued since the Nara Period. It has Tadasu-no-mori where evergreen hardwoods cover an area of 600 m in north-south direction and 200 m in east-west direction.

In this shrine and Kamogawa Park near by this shrine, many of crustose and foliose lichens were found on bark of trees and crustose ones grow aboundantly on stone walls and rocks.
